#### LANDS ANOTHER

Wentworth Overwhelms Kansas City, Kaus, High School Score 59 to 4.

Playing in champlonship form, alhough two regulars were on the side lines, Wentworth easily defeated the Kansas City, Kans. high school Saturday afternoon on the academy campus by a score of 50 to 4. From the start things were easy for the cadets. Without resorting to anything but straight football the runner would start slowly, waiting for the interference to form. With pertect interference, Cook, Ahrens and Anderson II tore off runs from five to fifty yards in length. The new system worked splendidly, but it is hard to say how it would fare against strong and fast opposition.

The first half was thirty minutes long and in it the cadets negotiated 48 points. But the second half was not so easy. The visitors were strengthened by the arrival of Jennings, who had walked seven miles and driven five to get to the game. He went in at full and ripped off several nice gains. Largely through his work the West Siders got the oval to Wentworth's 35 yard line, from which Roberts kicked a pretty field goal from placement. After that they again got the ball to the half was only fifteen minutes long, so that the soldiers made only two

touchdowns. For the local team, Anderson II was was the star. Running from tackle position he made six of the ten teachdowns. Ahrens, the husky guard, had been pulled back to full in lieu of Moore and played a wonderfully good game, Cook, as usual, made the longest and most spectacular run of the day. Hoge and Chambers did their best work of the season, while Roberts, too, showed an advance. For the visitors, their quarter, who was also a Roberts, Brown and Jennings did the most effective playing.

Wentworth Scrubs Played Circles, Elipses and Parabolae Around Kemper Scrubs.

In a game replete with brilliant runs, hard tackling and spectacular forward passes, but hopelessly and horribly one-sided, the husky Wentworth second team annihilated the This leaves only the game with Kemper second team Monday by a weight, age, experience, knowledge of football, team work, punting, running, bucking and everything else pertaining to football. From the first sound of the whistle theirs was a hopeless case.

The forward pass was worked for all that was in it and not once did it fail to gain for Wentworth. Kemper used it successfully twice and unsuccessfully once. There was great deal of punting and the superiority of the Wentworth ends told.
